A Hint to the Wise.

The Paris (Mo.) Appeal; referring to the business done by mail order houses souri, editorially says: "Advertising is costing the merchants of Monroe county thousands of dollars every year-not that our merchants actually pay out thousands of dollars each year for advertising, but the great department stores in the cities advertise every day in the year, telling the public just what they have to sell and what it will cost. The papers carrying these advertisements and thousands of price lists go all over the county, and people see what they need advertised and order it from the city stores. Who can blame them? A poor old man, busily planting an apple tree, was rudely asked: "What do you plant trees for? You can't expect to eat the fruit of them." He raised himself up and, leaning upon his spade, answered: "Some one planted trees before I was born, and I have eaten the fruit. I now plant for others to show my gratitude when I am dead."
